01

Your agency says CTR, CPL and GBP

Here's what they mean, **in plain words.**

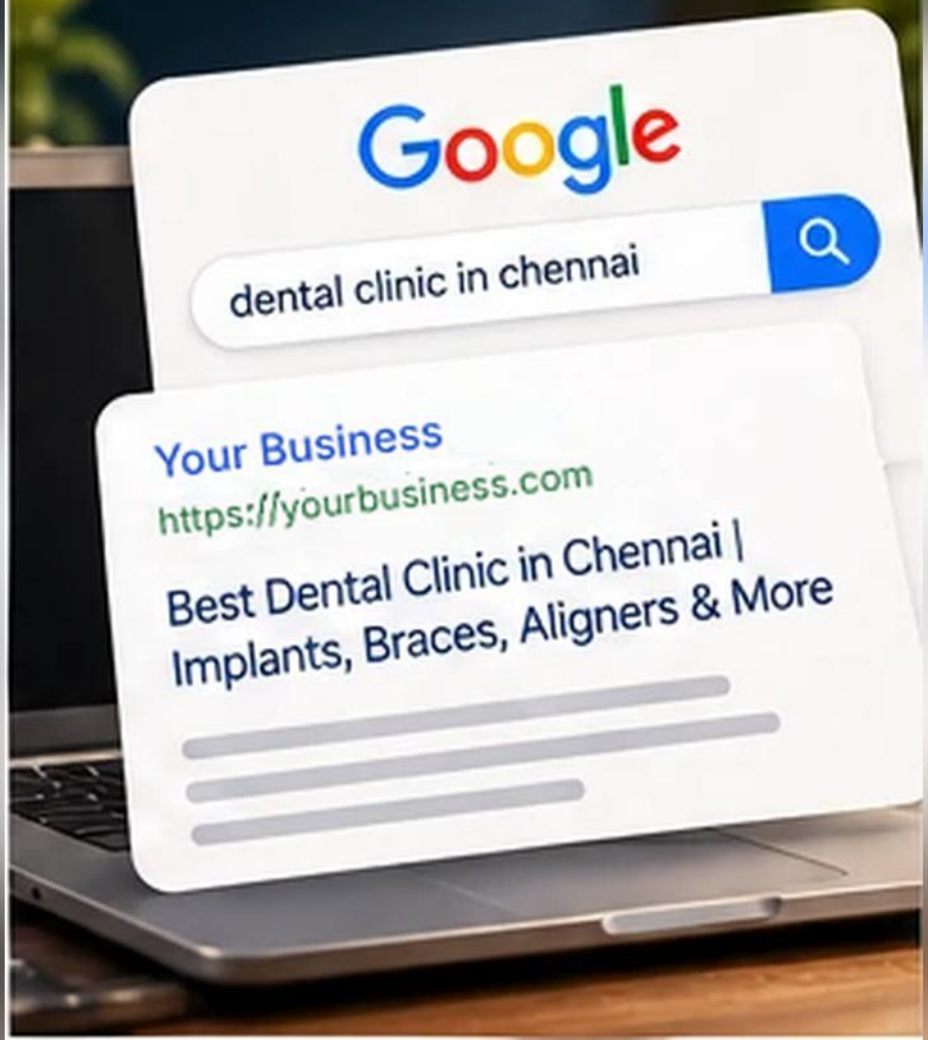

Swipe →

02

SEO

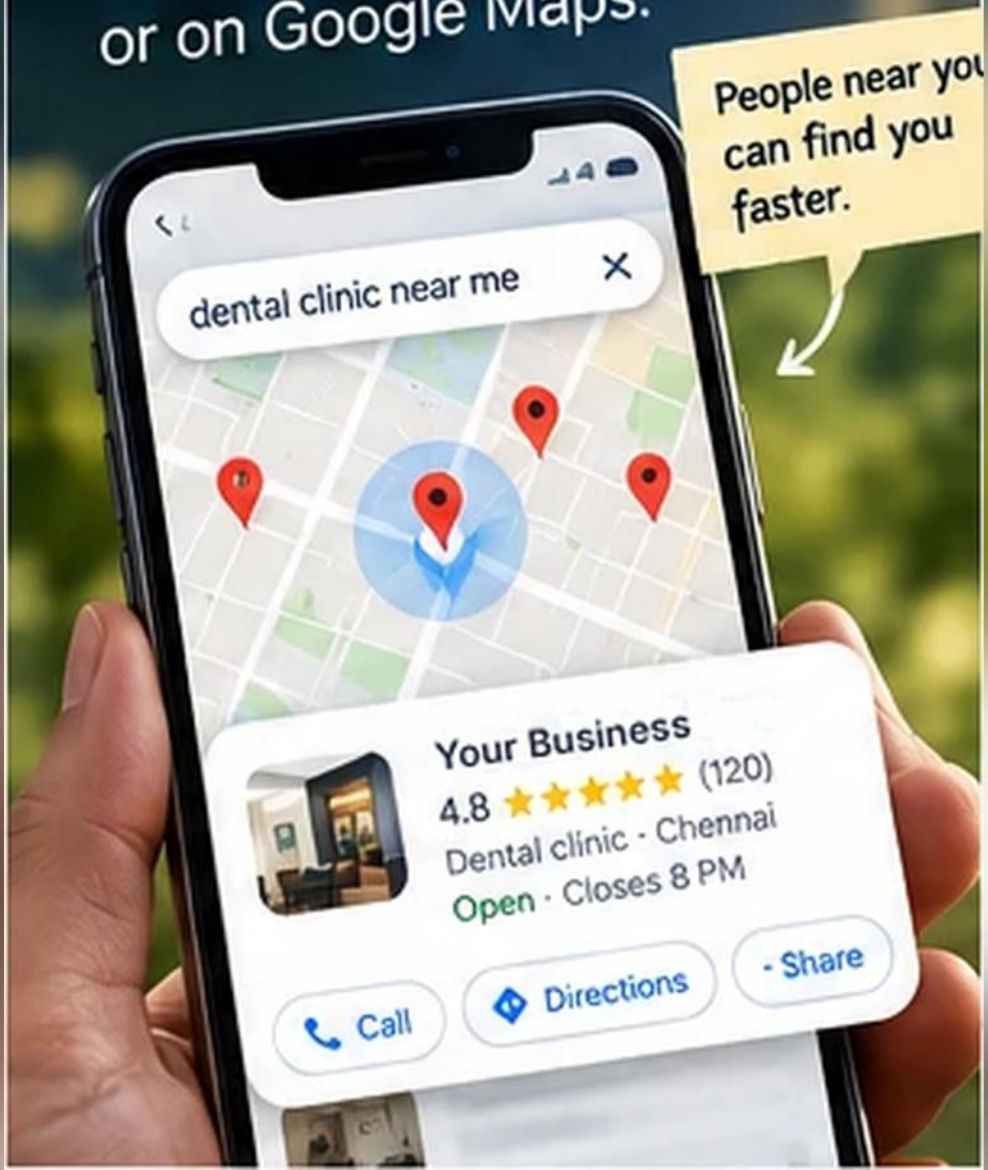

Showing up on Google **without paying** for each click.

03

Local SEO

Showing up when people nearby search **“near me”** or on Google Maps.

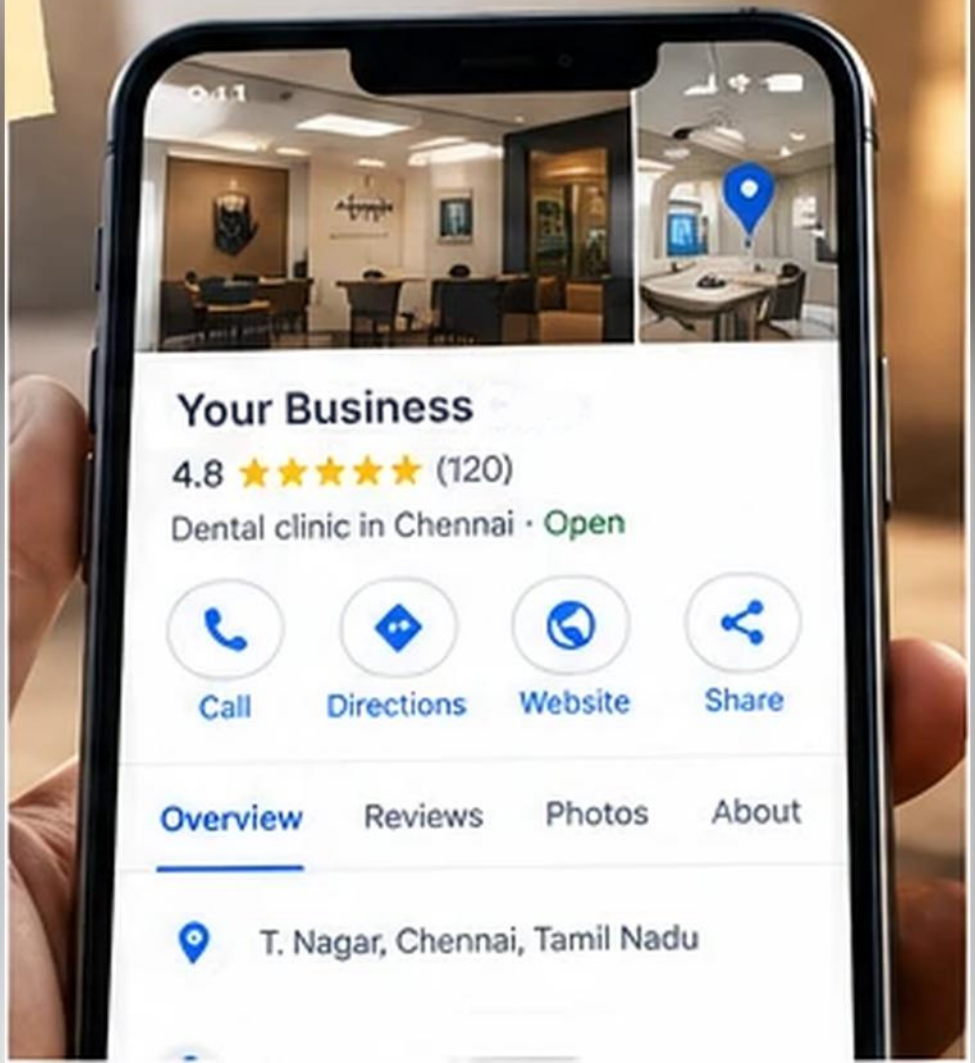

04

GBP

Your digital shopfront on Google.

Google Business Profile, your listing on Google Search and Maps.

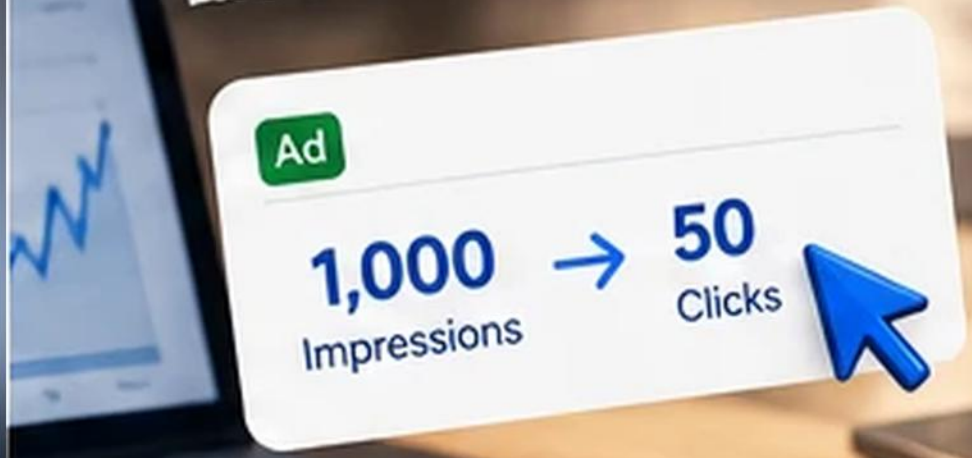

05

CTR

Click-through rate.
Out of everyone who saw you, how many clicked.

If 1,000 people saw your ad and 50 clicked, your CTR is
5%

06

CPC

Cost per click.
What you pay for each ad click.

If you spend ₹500 and get 50 clicks, your CPC is **₹10**.

07

CPL

Cost per lead.

What you pay to get one enquiry.

If you spend ₹2,000 and get 20 enquiries, your CPL is ₹100.

08

Conversion rate

Out of every 100 visitors, how many call, book or buy.

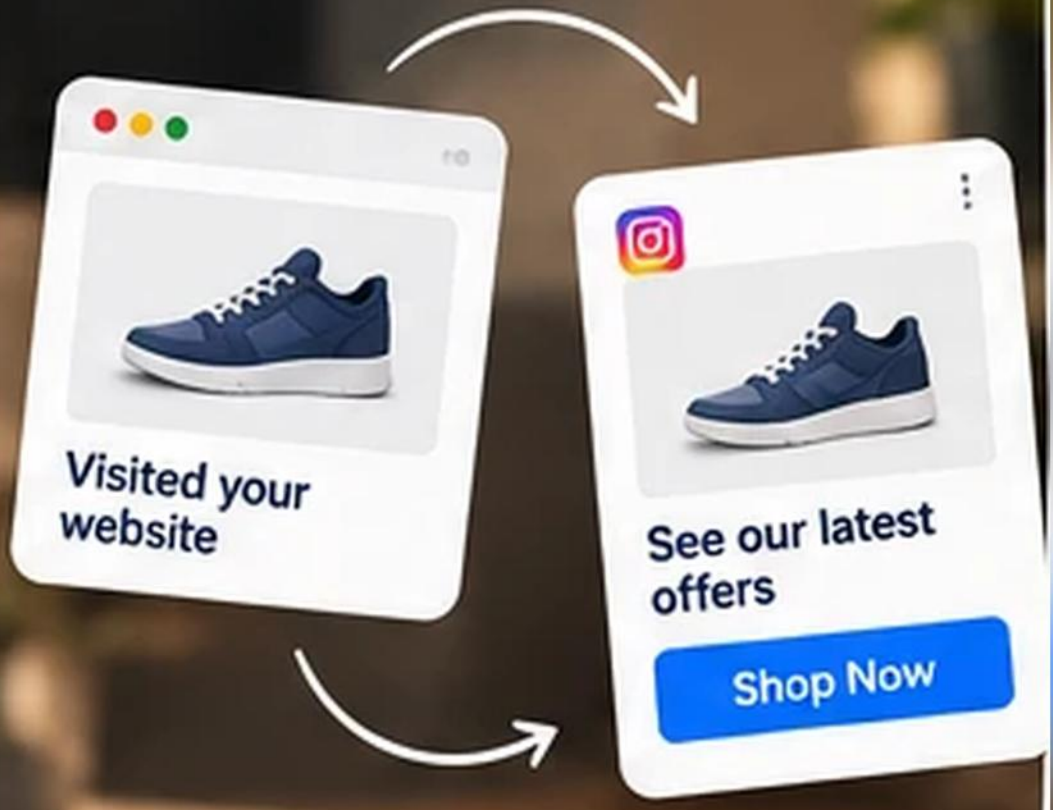

If 100 people visit your website and 5 book an appointment, your **conversion rate is 5%.**

09

Retargeting

Showing ads to people who already visited your website.

10

The one to watch: CPL.

Clicks are cheap.
Enquiries pay the bills.
