Your Google Business Profile is your real homepage.

5 fixes I check first.
Each takes under 15 minutes.

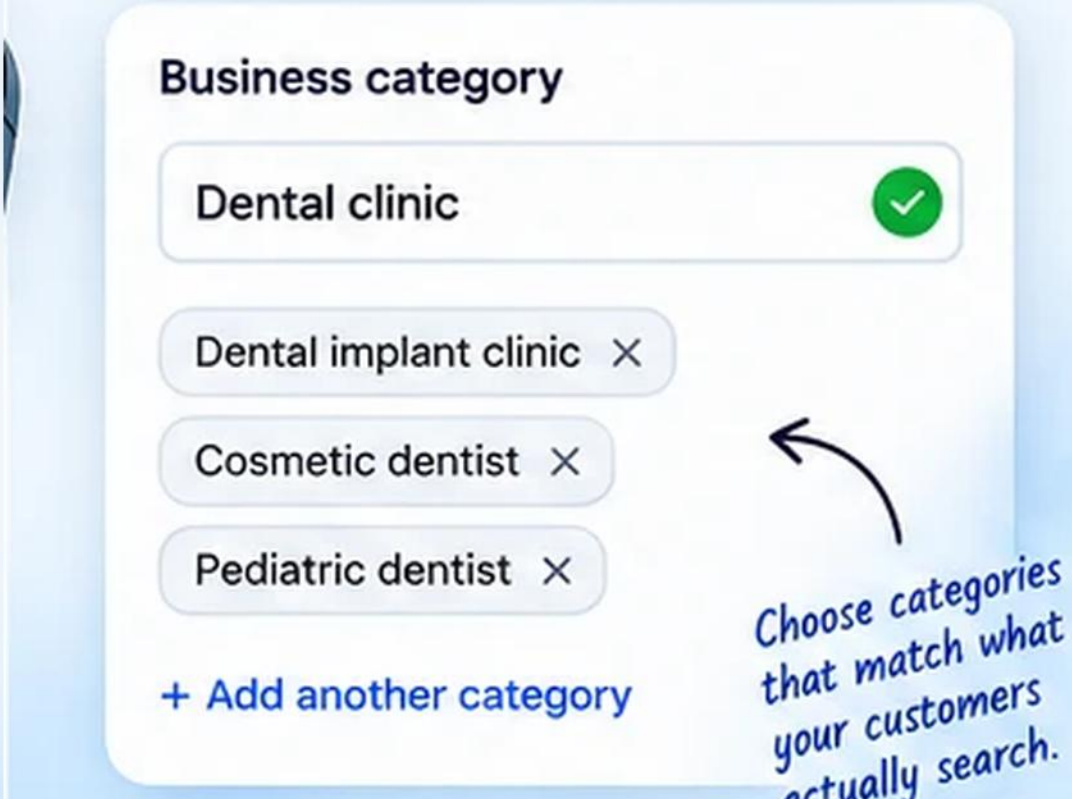

More Visibility.
More Patients.
Real Growth.

01

Pick the exact primary category.

"Dental clinic", not "Health".
Add 2-3 secondary categories.

02

List every service in your customers' words.

"Root canal treatment", not "Endodontics".

Services

- Tooth implant treatment
- Root canal treatment
- Teeth cleaning
- Invisible aligners
- Braces treatment
- Teeth whitening

Use simple words your patients search for.

03

Add real photos every month.

Entrance, inside, team, your work.
No stock photos.

Show your clinic. Build trust.

04 Reply to every review.

Within 48 hours. Thank by name.
Handle bad ones calmly.

Priya S

★★★★½ 2 weeks ago

Very good experience. Doctors are professional and friendly.

↩ Thank you Priya for your kind words! We're glad you had a positive experience with our team.

Arun K

★★★½☆ 1 week ago

Waiting time was a bit long.

↩ Hi Arun, thanks for your feedback. We're working on reducing waiting time and appreciate you sharing this with us.

Every review is a chance to build trust.

05 Keep hours right. Post weekly.

Festival hours + one update or offer every week.
